## INTRODUCING THE THINKPAD® X300. THE THINNEST THINKPAD EVER.

## FOR THOSE WHO HAVE ARRIVED BUT STILL HAVE TO TRAVEL.

You probably have enough weight on your shoulders as a businessperson, without carrying a heavy notebook around. Now you can think big and carry small. The new X300 ThinkPad® notebook is small in size and big on features. Starting from just 1.3kg, the battery life is still outstanding and enhanced performance from Intel® Centrino® processor technology with Intel® Core™ 2 Duo processor is a given. Reward yourself, you've earned it. The ThinkPad X300 from Lenovo, makers of the world's best engineered PCs.
